Hon. Sean Fraser
Minister of Justice and Attorney General of Canada

Minister Fraser,

Congratulations on your appointment as Minister of Justice and Attorney General of Canada.

As the NDP critic for the Department of Justice, I will be working with you on this portfolio.

I understand that you plan to introduce legislation on bail reform this fall. I would appreciate as much advance notice as possible regarding when the bill will be tabled. If your office is able to provide a briefing ahead of time, I would welcome the opportunity.

I also appreciate the chance to meet with you next week to discuss priorities and how we can work together on this file. I look forward to our conversation scheduled for Friday, September 19th.

Taimakalauq,

Lori Idlout, MP
